# Background

---

- A. This document sets out the charges and terms and conditions under which Airservices Australia provides certain aviation Facilities and Services to Aircraft Operators who fly in the Australian Flight Information Region. It also provides some additional information concerning invoicing and payment arrangements and how to resolve any queries on accounts. In using Airservices Australia's Facilities and Services the subject of this Contract You accept, and agree to be bound by, the terms of this Contract.
- B. This Contract has been written in plain English so that users of the Facilities and Services clearly understand how our charges are applied. Capitalised terms and acronyms are defined in clause 12.1.
- C. The charges associated with a flight under this Contract can be calculated using the information at Our website at [www.airservicesaustralia.com](http://www.airservicesaustralia.com) via <https://www.airservicesaustralia.com/charging/>.

## Terms and conditions

---

### 1 Basis of the terms

- 1.1 Under section 8 of the *Air Services Act 1995* (Cth), We are able to provide certain Facilities and Services. We agree to make those Facilities and Services available to You in accordance with the terms and conditions of this Contract and in accordance with Our statutory obligations. In return You agree to pay the Charges for use of those Facilities and Services.
- 1.2 If We have entered into a separate agreement with You for the provision of Facilities and Services, this Contract does not apply to You, only to the extent of any overlap (either in time or content) with that other agreement.
- 1.3 If We provide Facilities or Services to You under a separate statutory determination made under the *Air Services Act 1995* (Cth), this Contract does not apply to You only to the extent of any overlap (either in time or content) with that statutory determination.

### 2 Scope and nature of Charges

- 2.1 You are required to pay the Charges for use of Our Facilities and Services.
- 2.2 The Charges apply to all flights operated by You, both domestic and international, within the Australian Flight Information Region except:
  - (a) flights that You notify Us (and for which You supply independent substantiating documentation) are Maintenance Flights, and We agree with such notification; and
  - (b) operational missed approaches.
- 2.3 Where the Charges are calculated by reference to the weight of an Aircraft, the Charges apply to each tonne of the Aircraft's weight (**Chargeable Weight**), with any part of a tonne charged on a pro-rata basis.
- 2.4 All Charges are inclusive of any Goods and Services Tax (**GST**) payable under the *A New Tax System (Goods and Services Tax) Act 1999* (Cth), unless otherwise specified. If there is any change in legislation that adjusts the rate of GST to something other than 10%, the Charges will be adjusted to reflect the new GST rate.

- 2.5 Unless expressly specified otherwise (for example in relation to GST) all Charges are exclusive of any Taxes.
- 

### **3 Terminal navigation Charges**

- 3.1 The Charge payable for the terminal navigation component of the Facilities and Services for each:
- (a) landing only;
  - (b) practice instrument approach only;
  - (c) practice instrument approach immediately followed by a landing;
  - (d) session of circuit training only; and
  - (e) session of circuit training immediately followed by a landing,
- at an aerodrome with a control service is outlined in Schedule 1.
- 3.2 For each landing at a place within a control zone associated with an aerodrome listed in Table 1 Schedule 1 (but not at the aerodrome itself) the Charge for the terminal navigation component of the Facilities and Services is half of the Charge that would otherwise be payable under clause 3.1.
- 3.3 Terminal navigation Charges apply if the Facilities and Services are available for use by the Aircraft at any time during circuit training or at the time of landing.
- 3.4 The hours of operation for each aerodrome are notified in the **ERSA** and **NOTAM**. Terminal navigation Facilities and Services made available to You outside those hours, following a request from You, will be payable as outlined in Table 2 Schedule 1.
- 

### **4 Aviation rescue and fire fighting Charges**

- 4.1 The Charge payable for the aviation rescue and fire fighting component of the Facilities and Services for each:
- (a) landing;
  - (b) practice instrument approach;
  - (c) practice instrument approach immediately followed by a landing;
  - (d) session of circuit training only; and
  - (e) session of circuit training immediately followed by a landing,
- at an aerodrome with an aviation rescue and fire fighting service is outlined in Schedule 2.
- 4.2 The aviation rescue and fire fighting Charges apply to any Aircraft with a Chargeable Weight of 5.7 tonnes or more if the Facilities and Services are available for the Aircraft at any time during circuit training or at the time of landing unless:
- (a) the Aircraft has a Chargeable Weight of less than 15.1 tonnes; and
  - (b) You demonstrate to Our satisfaction that the flight was for a non-commercial purpose or was used only to carry crew.
- 4.3 The hours of operation for each aerodrome are notified in the **ERSA** and **NOTAM**. Aviation rescue and fire fighting Facilities and Services made available to You outside those hours will be payable as outlined in Table 2 Schedule 2.

---

## 5 Enroute navigation charges

- 5.1 If all or any part of a flight operates under Instrument Flight Rules, the enroute navigation Charge payable for the flight is calculated in accordance with Schedule 3.
- 5.2 If a flight lands within an Aerodrome Control Zone but not at the aerodrome, the enroute charge is:
- (a) calculated according to clause 5.1; and
  - (b) then reduced by the amount of any terminal navigation Charge, the reduction being limited to the amount of the enroute charge from clause 5.2(a).

---

## 6 General Aviation Option

- 6.1 From time to time We will contact the registered owners of Light Aircraft that are recorded as having flown in the Australian Flight Information Region, offering the General Aviation Option. The General Aviation Option will reflect Our estimation of the Charges payable for the Light Aircraft in the forthcoming Financial Year, based on the rates outlined in Schedules 1, 2 and 3 and the activity of the Light Aircraft in the preceding Financial Year.
- 6.2 If You receive an offer from Us for the General Aviation Option You can elect to participate by accepting the terms of Our offer. If You do not elect to accept the terms of Our offer, We will charge You in accordance with clauses 3, 4 and 5.
- 6.3 If You elect the General Aviation Option, You must notify us in writing in accordance with the terms of our offer.
- 6.4 If We estimate that a Light Aircraft will be liable in the forthcoming Financial Year for Charges of \$500.00 or less We will notify the registered owner of the Light Aircraft that, in relation to that Light Aircraft, no Charges are payable in the forthcoming Financial Year.
- 6.5 If You would like to terminate the General Aviation Option in relation to Your Light Aircraft, You can write to Us at the following address requesting termination:
- Credit Manager  
Airservices Australia  
PO Box 231  
Civic Square ACT 2608  
[accounts.receivable@airservicesaustralia.com](mailto:accounts.receivable@airservicesaustralia.com)
- 6.6 Upon receipt of Your written request in accordance with clause 6.5, We will:
- (a) cancel Your General Aviation Option;
  - (b) refund any amount paid by You in advance under the General Aviation Option, on a pro-rata basis from the date We receive Your written request, within 28 days; and
  - (c) in relation to the Light Aircraft, commence charging You in accordance with clauses 3, 4 and 5.

---

## 7 Who has to pay

- 7.1 When an Aircraft incurs Charges during a flight You are liable for those Charges. You accept and agree to be bound by this Contract to pay such Charges:
- (a) whenever You ask Us to provide a Facility or Service; or
  - (b) whenever You receive a chargeable Service from Us.

- 7.2 The definition of “You” in clause 12.1 of this Contract may result in more than one person being liable to pay Charges. If this is the case, We will invoice the Operator of the Aircraft initially, although We may seek payment of the Charges from any person who is liable to pay the Charges. We do not need to exercise or exhaust Our rights against one person before We exercise our rights against any other person who is also liable to pay the Charges.
- 7.3 If another person agrees to pay Charges You incur, You must notify Us of this agreement and provide contact details for the person so that We can forward invoices directly to them. Unless You sell or otherwise assign an Aircraft and comply with clause 7.4 of this Contract, You will remain liable for all Charges incurred by that Aircraft, regardless of whether We forward invoices to another person as requested under this clause 7.3.
- 7.4 If You sell or otherwise assign ownership of an Aircraft, You will remain liable for Charges incurred in relation to that Aircraft until:
- (a) You provide Us with a completed Change of Aircraft Operator Form; and
  - (b) We confirm (using the CASA aircraft registration website) that You are no longer the current holder of the Certificate of Registration for the Aircraft.
- 

## **8 Payment of Charges**

- 8.1 A Charge must be paid on the date specified in the relevant invoice from Us unless a date is not specified, in which case the Charge must be paid within 28 days of the date of invoice.
- 8.2 If You do not pay a Charge on time, You must also pay:
- (a) interest on the amount of the Charge from the date it became overdue until the date it is paid, calculated daily and compounded monthly at the rate of 2% p.a. above the Commonwealth Bank of Australia Overdraft Index Rate (monthly charging cycle) current on the first day of each month; and
  - (b) legal and other costs, charges and expenses incurred by Us or on Our behalf in making, enforcing and doing anything in connection with this Contract on a full indemnity basis.
- 8.3 Unless you specify otherwise, when You pay Us, including any part payments, after Charges become overdue We will apportion that payment between Us and other organisations for whom we collect charges. Money paid by You for overdue Charges will be applied first against payment of legal and other costs, charges and expenses under clause 8.2(b), then against any interest accrued under clause 8.2(a), and then against the overdue Charge.
- 8.4 If You do not pay a Charge when it falls due, We may do any one or more of the following:
- (a) give You 14 days’ notice of our intention to withhold any Facilities and Services;
  - (b) provide a notice to CASA notifying them of Your failure to pay the Charge and, if relevant, our intention to withhold Facilities and Services;
  - (c) withhold those Facilities and Services after that time, having regard to air navigation safety; and/or
  - (d) take such other action as We reasonably believe is necessary, including but not limited to asking You to provide credit security arrangements before We continue to provide You Our Facilities and Services.
- 8.5 If the amount of GST included in a GST inclusive Charge under this Contract does not fully cover Our GST liability, then upon demand You must pay to Us any additional amount required to cover our GST liability.

- 8.6 If We have incorrectly specified to You in a tax invoice that something is either GST free or not a taxable supply, then, notwithstanding clause 2.4, the amount We charge for any supply will be GST exclusive. Upon demand You must pay to Us an additional amount required cover Our GST liability.
- 8.7 You must check all invoice details on receipt and advise Us within 90 days of any irregularity or discrepancy, after which time You will be deemed to accept any Charge set out in the invoice.

---

## 9 Duration, replacement, variations, waivers

- 9.1 These Contract terms and conditions are current for all Facilities and Services from 1 May 2016 until notice of the variation or replacement of any of them is given under clause 9.2.
- 9.2 We may vary or replace any of these terms and conditions either by publication on Our website, or public notice, or by giving You notice in writing at least one month before the variation or replacement takes effect. We will provide any written notice to the contact details available for You on Our register, CASA's register or, in the case of Aircraft registered outside Australia, other international aircraft registers. A notice from Us is taken to be received by You:
- (a) if posted, on the third day after posting (or, if posted to or from a place outside Australia, on the seventh day after posting);
  - (b) if faxed, at the time the machine on which it has been sent records that it has been successfully transmitted; or
  - (c) if emailed, when the sender receives confirmation that the email has been properly delivered to a system from which the addressee can receive it (or, if the sender does not receive such confirmation within two hours after sending the email and has not received a message that the email has not been received, two hours after sending the email).
- 9.3 We may waive any requirement of these terms and conditions in writing. Our waiver may be subject to terms and conditions.
- 9.4 You must pay any amounts owing to Us under this Contract immediately where the application of any waiver ceases.

---

## 10 Privacy

- 10.1 For the purposes of this Contract the definition of “**personal information**” is the same as that adopted in the *Privacy Act 1988* (Cth) being: information or an opinion about an identified individual, or an individual who is reasonably identifiable:
- (a) whether the information or opinion is true or not; and
  - (b) whether the information or opinion is recorded in a material form or not.
- 10.2 For the purposes of providing, and charging for, the Facilities and Services, We may collect Your personal information, including Your name, address, telephone numbers, email addresses and credit card information.
- 10.3 You acknowledge and consent to this personal information being used to:
- (a) to administer this Contract and payment due to Us under this Contract; and
  - (b) to enable Us to comply with Our statutory obligations, including any reporting to the parliament, a parliamentary member or committee or for audit purposes.
- 10.4 You acknowledge and consent to Your personal information being disclosed to:
- (a) CASA for the purposes of clause 10.3(b) of this Contract; and

- (b) other entities which collect charges relating to Your use of airports.
- 10.5 We will not use Your personal information for any purposes other than those specified in clauses 10.3 and 10.4 (or related purposes) unless You have given Your consent or if We are required or authorised to disclose that information by law.
- 10.6 We will securely handle and store your personal information in a manner which complies with Our Privacy Policy and the *Privacy Act 1988* (Cth).
- 

## 11 Miscellaneous

- 11.1 If any part of a provision in this Contract is unenforceable, it is taken to be modified to remove the unenforceable element. The rest of this Contract is not affected by this modification.
- 11.2 This Contract is governed by the laws of the Australian Capital Territory. Each party irrevocably and unconditionally submits to the exclusive jurisdiction of the courts of the Australian Capital Territory and its courts of appeal.
- 11.3 We collect flight data which includes the registration of an Aircraft, its location, flight plan and other information relevant to the conduct of flight within the Australian Flight Information Region. We store this information on Our internal databases and may provide this data to third party entities operating live flight tracking data services, and other entities such as airlines, airports and entities involved in ensuring the efficiency of the air traffic system in Australia. We will not provide any personal information or customer data in the provision of these services.
- 

## 12 Definitions and interpretation

### Definitions

- 12.1 The capitalised words in this Contract have the following meaning, unless otherwise specified:

“**Aerodrome Control Service Deduction**” is:

- (a) 55 kilometres, if the flight either originates from or ends at (but not both) an aerodrome in the Australian Flight Information Region with a control service in operation as described in the ERSA and NOTAM;
- (b) 110 kilometres, if the flight originates from and ends at aerodromes in the Australian Flight Information Region with control services in operation at both aerodromes as described in the ERSA and NOTAM; or
- (c) equal to zero, if paragraphs (a) or (b) are not applicable.

“**Aerodrome Control Zone**” means specific airspace around the aerodrome as defined in the Designated Airspace Handbook as set out in the AIP.

“**AIP**” means the Aeronautical Information Package produced by Us, and updated from time to time, found on Our website:  
[www.airservicesaustralia.com/publications](http://www.airservicesaustralia.com/publications).

“**Aircraft**” means any machine that can derive support in the atmosphere from the reactions of the air other than the reactions of the air against the earth’s surface.

“**Aircraft Category**” means an aircraft category as defined, and updated from time to time, by the International Civil Aviation Organisation.

“**Aircraft Type**” means an aircraft type as defined, and updated from time to time, by the International Civil Aviation Organisation.

“**Change of Aircraft Operator Form**” means the form set out in Schedule 4.

“**Australian Flight Information Region**” means the Australian flight information region(s) as designated by the International Civil Aviation Organisation.

“**CASA**” means the Civil Aviation Safety Authority.

“**Chargeable Distance**” means:

- (a) for a flight involving a take-off and a landing at the same aerodrome within the Australian Flight Information Region, with no intermediate landings elsewhere and no control service available for use at the time the flight terminates: 100 kilometres;
- (b) for a flight originating and ending at different aerodromes within the Australian Flight Information Region: The Great Circle Distance less any applicable Aerodrome Control Service Deduction;
- (c) for a flight originating and/or ending at an aerodrome outside the Australian Flight Information Region:
  - (i) if the city pair route is listed in Schedule 6: the chargeable distance specified in Schedule 6 less any applicable Aerodrome Control Service Deduction; or
  - (ii) if the city pair route is not listed in Schedule 6: Our reasonable estimate of that part of the Great Circle Distance falling within the Australian Flight Information Region less any applicable Aerodrome Control Service Deduction,

or

- (d) if the distance cannot be calculated in accordance with paragraphs (a) to (c) above, or for the purposes of paragraph (c)(ii) no part of the Great Circle Distance falls within the Australian Flight Information Region: 100 kilometres.

“**Chargeable Weight**” means the weight applied for charging as listed in Schedule 5. Where the Aircraft type is not shown in Schedule 5, the maximum take-off weight of the aircraft, as noted in the relevant Aircraft’s flight manual or as otherwise reasonably determined by Us shall be applied.

“**Charges**” means, collectively or individually, those:

- (a) terminal navigation charges described in clause 3;
- (b) aviation and rescue fire fighting services charges described in clause 4; and
- (c) enroute navigation charges described in clause 5,

that You are required to pay in accordance with the terms and conditions of this Contract, for use of Our Facilities and Services.

“**Circuit Training**” involves approaches to the runway, touching down and then applying power to take off again.

“**Contract**” means this agreement and includes its Schedules and any annexures.

“**ERSA**” means the En Route Supplement Australia set out in the AIP.

“**Facilities and Services**” cover the following facilities and services provided by Airservices Australia under this Contract:

- (a) terminal navigation (see Schedule 1);
- (b) aviation rescue and fire fighting (see Schedule 2); and
- (c) enroute navigation (see Schedule 3).

“**Financial Year**” means the period beginning on 1 July and ending on the following 30 June.

“**General Aviation Option**” means our estimate of the annual charges for a Light Aircraft for the forthcoming Financial Year, calculated in accordance with clause 6.

“**Great Circle Distance**” means the distance, measured in kilometres, from the latitude and longitude of the Aircraft’s point of departure (on the surface of the Earth) to the latitude and longitude of the Aircraft’s point of arrival (on the surface of the Earth) measured along the shortest path on the surface of the Earth.

“**Instrument Flight Rules**” means the instrument flight rules set out in the AIP.

“**Light Aircraft**” means an Aircraft with a Chargeable Weight of less than 5.7 tonnes.

“**Maintenance Flight**” means a flight for the sole purpose of performing maintenance for the Aircraft, with no fee-paying passengers aboard the Aircraft.

“**NOTAM**” means a notice to airmen issued either by Us or by CASA.

“**Operational Missed Approach**” is where an approach cannot be continued to a successful landing.

“**Operator**” means, in relation to an Aircraft, the person:

- (a) flying or using the Aircraft; or
- (b) causing or permitting the Aircraft to be flown, be used or be in any place, whether or not the person is present with the Aircraft or the owner or the hirer.

“**Practice Instrument Approach**” is an instrument approach where there is no landing intended.

“**Privacy Policy**” means the privacy policy published on Our website:  
<http://www.airservicesaustralia.com/terms-copyright-privacy/>

“**Schedule**” means a schedule to this Contract.

“**Tax**” means:

- (a) any tax, withholding tax, charge, rate, duty (including stamp duty and customs duty), impost, excise, tax by whatever name called and whether Australian, foreign, state, municipal, provincial, county or local; and
- (b) any interest, charge, penalty, fee, fine or other amount of any kind assessed, charged or imposed on or in respect of the above.

“**Table**” means a table in a Schedule.

“**Visual Flight Rules**” means the visual flight rules set out in the AIP.

“**We**” and “**Us**” means Airservices Australia and includes our successors and assigns, and “**Our**” has a corresponding meaning.

“**You**” means:

- (a) the owner of the Aircraft;
- (b) the Operator of the Aircraft;
- (c) the holder of the Certificate of Registration for the Aircraft;
- (d) the pilot of the Aircraft; and
- (e) any person authorised to use the Aircraft;

and includes the executors, administrators, successors and assigns of any of the above, and “**Your**” has a corresponding meaning.

- 12.2 Unless otherwise defined in this Contract, terms defined in the *Air Services Act 1995* (Cth), *Civil Aviation Act 1988* (Cth), and the *Air Navigation Act 1920* (Cth), and their accompanying Regulations, or any amendments or replacement of them, have the same meaning as in this Contract.
- 12.3 Other technical industry terms have the meanings generally given to them in the aviation industry.

## **Interpretation**

12.4 In this Contract:

- (a) words in the singular include the plural and vice versa;
- (b) if a period of time is specified and dates from a given day or the day of an act or event, it is to be calculated exclusive of that day;
- (c) the verb “include” (in all its parts, tenses and variants) is not used as, nor is it to be interpreted as, a word of limitation;
- (d) headings are inserted for convenience and do not affect the interpretation of this Contract;
- (e) no rule of construction will apply to a clause to the disadvantage of a party merely because that party put forward the clause or would otherwise benefit from it;
- (f) where any word or phrase is given a defined meaning, any other part of speech or other grammatical form in respect of that word or phrase has a corresponding meaning; and
- (g) a reference to:
  - (i) a person includes a partnership, joint venture, unincorporated association, corporation and a government or statutory body or authority and (as the case may be) the person’s legal personal representatives, successors, assigns and persons substituted by novation;
  - (ii) an Act or “law” includes legislation, regulations and other subordinate laws and any modifications or replacements of them;
  - (iii) an obligation includes a warranty or representation and a reference to a failure to comply with an obligation includes a breach of warranty or representation;
  - (iv) a right includes a benefit, remedy, discretion or power;
  - (v) time is to local time in Canberra, Australia;
  - (vi) “\$” or “dollars” is a reference to Australian currency;
  - (vii) this or any other document includes the document as novated, varied or replaced and despite any change in the identity of the parties;
  - (viii) writing includes any mode of representing or reproducing words in tangible and permanently visible form, and includes fax transmissions; and
  - (ix) this agreement includes all schedules and annexures to it.

# Schedule 1: Terminal navigation Charges

---

## Terminal navigation Charge formula – normal hours of operation

The terminal navigation Charge = Rate specified in Table 1 below x Chargeable Weight

Chargeable Weight is defined in clause 12.1.

The minimum terminal navigation Charge for each activity at Adelaide, Brisbane, Melbourne, Perth or Sydney aerodromes is \$21.00. This minimum terminal navigation Charge will, however, have no application to helicopter operations at these aerodromes.

**Table 1**

# Schedule 2: Aviation rescue and fire fighting Charges

## Aviation rescue and fire fighting Charge formula – normal hours of operation

Aviation rescue and fire fighting Charge = Rate specified in Table 1 below x Chargeable Weight

Aviation rescue and fire fighting Charges are based on Aircraft Category.  
Aircraft Category and Chargeable Weight are defined in clause 12.1.

# Schedule 3: Enroute navigation Charges

---

- (a) For Aircraft with a Chargeable Weight under 20 tonnes the enroute navigation Charge equals:

$$\text{Rate specified in Table 1 below} \times \frac{\text{Chargeable Distance}}{100} \times \text{Chargeable Weight}$$

For Aircraft with a Chargeable Weight of 20 tonnes or more the enroute navigation Charge equals:

$$\text{Rate specified in Table 1 below} \times \frac{\text{Chargeable Distance}}{100} \times \sqrt{\text{Chargeable Weight}}$$
