## CHANGES TO AWIS TELEPHONE NUMBERS EFFECTIVE 15 AUGUST 2019

### 1. INTRODUCTION

- 1.1 This AIC has been reissued (originally AIC H29/19), by the Bureau of Meteorology (BoM) to ensure pilots and other users are aware of the nation wide changes to Automatic Weather Information Service (AWIS) phone numbers that took place on 15 August 2019.
- 1.2 The BoM provides AWIS which are accessible via a set of phone numbers and VHF services. Upon Telstra's request, the phone numbers for all Australian AWIS have been changed.

### 2. DETAILS OF THE CHANGE

- 2.1 The new AWIS phone numbers were effective from 201908141600 UTC.
- 2.2 The new phone numbers will run in parallel with the existing phone numbers until 30 September 2019, after which the existing phone numbers will be decommissioned.
- 2.3 There will be no changes to the AWIS VHF services.
- 2.4 The BoM advises the availability of the new AWIS phone numbers (with the existing numbers) as provided in the Table in Appendix 1.
- 2.5 In addition, the new AWIS phone numbers are published in the ERSA edition effective 15 August 2019.
