

The Hon Darren Chester MP
Minister for Infrastructure and Transport
Parliament House
CANBERRA ACT 2601

Dear Minister

REPORT ON MOVEMENT CAP FOR SYDNEY AIRPORT

In accordance with Section 9 of the *Sydney Airport Demand Management Act 1997*, I advise that for the quarter 1 April to 30 June 2017 there was one occasion when movements at Sydney Airport exceeded the regulated hourly maximum movement cap.

This occurred on 16 May 2017 in the period 8:15 – 09:15am, with 81 movements during the hour. It is the first occasion since June 2011 that the movement cap has been exceeded.

Movement cap monitoring is a manual process and we have taken steps to further minimise the risk of recurrence.

Yours sincerely
