

## Aviation Rescue and Fire Fighting Water Competency Assessment Form

Water rescue is required at a number of ARFF Fire Stations across Australia.  
**If you are submitting an application for one of these stations you will be required to demonstrate a pre-determined level of swimming ability.**

The stations that perform water rescue are:

Adelaide	Hamilton Island	Maroochydore
Brisbane	Hobart	Sydney
Cairns	Mackay	Townsville
Coolangatta	Broome	

If you do not currently possess any of the following as per the table below, you must be assessed using this form. These competencies must be current at the time of application.

Bronze Medallion	Pool Lifeguard Award
Bronze Star	Pool Lifeguard License
Bronze Cross	Other – please describe on your application form

### Assessment of Water Competency

You are required to contact a pool in your local area and make an appointment to be assessed by a **Qualified Lifeguard**. You will be required to demonstrate that you can swim 50m in any stroke, and tread water for two (2) minutes without stopping.
