

Exercise caution at these **hotspots** and on all runways:

- Ensure you are landing on the correct runway.
- Clearance required to cross Runway 11C threshold on taxiway Q.
- Clearance required to cross Runway 29R threshold on taxiway A5.
- Ensure you have a clearance to enter the runway before lining up or taking off, particularly at taxiways Q2, J2, A5 and S4.

Data sourced from incident reports 1/5/10-30/11/11

Not for navigation. This information is current at the time of publication. Refer to DAP, ERSA and NOTAMS for latest Aerodrome Charts and operational information.
