# **TRIAL OF SHORT-TERM VOICE ACTIVATED EXTENSION OF CERTAIN MILITARY CONTROL ZONES AND RESTRICTED AREAS**

## **1. INTRODUCTION**

- 1.1 This SUP provides notification that the trial, previously published in SUP H100/21, has been extended through to June 2023.
- 1.2 This SUP provides notification to industry of the continuation of a trial to allow short-term extensions of designated military Class C Control Zones (CTR) and restricted areas (RA) without NOTAM advice. Legislative instrument CASA OAR 046/22 and non-legislative instrument CASA OAR 048/22 refers.

## **2. DURATION**

- 2.1 This trial procedure will be available until 14 June 2023.

## **3. PROCEDURE – DELAYED DEACTIVATION**

- 3.1 Under this procedure, designated CTR and RA activation times may be extended for a maximum of 15 minutes from the end of the scheduled activation period without NOTAM advice:
  - a) to allow for the arrival of RAAF aircraft; and
  - b) for a period of not more than 15 minutes after the end of the scheduled activation period; and

- c) provided a broadcast advising of the extension is made on the:
  - i) relevant CTR frequency; and
  - ii) appropriate area frequencies.

*Note 1: RAAF aircraft means any Australian Defence Force (ADF) aircraft, including an aircraft operated by, or for any part of, the ADF under a contract with any part of the ADF.*

*Note 2: Any extension of designated CTR or RA activation times effected under para 3.1 must be reported to CASA IAW the relevant instrument.*
