6. DESIGNATED FLIGHT CORRIDORS

6.1 USE OF FLIGHT CORRIDORS

Arriving and departing jet aircraft must fly within, and not deviate from, the appropriate designated flight corridor for the runway, except when instructed or approved otherwise by ATC for safety reasons. During curfew hours, this requirement applies to ALL aircraft.

6.2 FLIGHT CORRIDORS

The Sydney Airport Arrival and Departure flight corridors designated for the runways are promulgated in this document (NAP Pages 7 - 10).
