

Working together to reduce risk.

Talking with the tower

Runway safety risk remains one of the most serious threats to aviation safety.

Are you on the correct frequency?

Check ERSA for your aerodrome

Tips from the tower

Working together

If you're going somewhere you're not familiar with, give the tower a ring first.

Let us know if you're not familiar with the local area and procedures.

Let us know if the clearance or instruction doesn't make sense or you can't comply with it.

Use standard phraseology.

The tower can assist you with...

Equip yourself for a safe flight

Equip yourself for a safe flight with knowledge of the current issues contributing to potential risks in your airspace. Learn current threats, errors, and countermeasures, as well as lessons learned from past occurrences.
