

RAAF EAST SALE

Airspace Infringement Hot Spots

RA LL = Restricted
Airspace Lower Limit

Remain current with updated NOTAM's in order to be aware of the activation of Restricted Airspace and avoid infringement. Do a pre-flight NAIPS location brief to find the status of the airspace. East Sale NOTAM codes are: YMES and ESX

Be aware of the various RA LL when transiting through D353 (VFR Transit Lane). No clearance required when below 1500 ft. Always check NOTAM's for activation prior to entering. Keep right of the railway/disused railway line.

Princes Route:
Contact Sale Delivery
134.1MHz for clearance
approaching FLYNN. Expect a
clearance not above 1500 ft

R359F has a lower limit of 4000 ft. Remain outside of 20NM ESL and remain at or below the RA LL of 4000 ft when operating at YYRM and YBNS.

R359F has a lower limit of 4000 ft. Remain outside of 20NM ESL and remain at or below the RA LL of 4000 ft when operating at YYRM and YBNS.

Coastal Route: R359B has a lower limit of 1000 ft. An airways clearance is not required when transiting at 1000 ft or below.

Caution: Helicopter traffic is frequent between YUOF and Oil Rigs off the coast. Monitor Bass CTAF 129.75MHz.
